Re: *United States v. Ismet Korac*, 21 Cr. 739 (KMK)

Dear Judge Karas:

The defendant in the above-referenced case is scheduled to be sentenced on Tuesday, April 16, 2024, and as a result, the Government's sentencing submission is due today, April 9. However, the defendant filed his sentencing submission very early this morning, and the Government needs additional time to formulate its response. The Government therefore respectfully requests that the Court extend the deadline for the Government's sentencing submission to and including Thursday, April 11.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
